what is leadership development camp?

Under the guidance of an experienced leadership team presenting a Biblical model of leadership, LDC will introduce you to the knowledge, skills, attitudes and experience needed to put your talents and enthusiasm into action as a Christian! LDC's purpose is to enable you to grow in faith and leadership.

Your training will take you to several United Church camps as well as on a three day canoe trip in the quiet beauty of Algonquin Park. The two-week program will be followed by a placement* in a camp, church or community setting where your development can be furthered through practice. **Placements are assessed on an individual basis and are at the discretion of the LDC staff. Placements are not guaranteed.*

The final phase of the program will be an evaluation weekend held in early autumn (there will be a minimal charge at that time to cover weekend expenses).

Enrolment is limited with an application and selection process in place. Apply now!

LDC is part of United Church Outdoor Ministries Hamilton Conference, whose purpose is to provide camping & other outdoor ministries as a total living experience, offering an opportunity to grow and learn in our personal life here and now, through an awareness of God as known in Jesus Christ.
